 - Serve as an additional adult supervising children on field trips
 - Present cultural activities to children
 - Assist teachers with bulletin boards
 - Assist teachers in the preparation of classroom materials (i.e. clean toys, label items, organize classroom materials, prepare classroom displays for teachers)
 - Read stories to the children
 - Assist with restroom breaks and brushing teeth
 - In the Office
 - Assist with copying
 - Assist with answering the phone
 - Prepare parent bulletin board
 - Use computer for assigned tasks.
 - Assist with other duties as available
 - Help with preparing the monthly newsletters

In the Kitchen

- Assist with setting up meal carts
- Assist with washing dishes
- Assist with cleaning in the kitchen
- Assist with other duties as available

On the Bus

- Ensure all children are buckled in seat belts and backpacks stowed safely under seats
- Ensure children remain seated on the bus
- Maintain an appropriate noise level so as not to disrupt the driver

In the Community

- Help recruit children for Head Start by telling other parents of preschool children about Head Start
- Assist staff in posting flyers in the community
- Assist staff during community meetings or events

In the Home

- Assist with mending/sewing cot covers, costumes, puppets, etc.
- Take home materials to prepare for classroom projects (cutting, die cuts, gluing, etc.)
- Prepare lesson plan oriented crafts
- Assist with various activities to include child **participation** into Ignite by HATCH, Ready Rosie, and completing the Home Learning Packets in those instances where virtual learning is taking place.

Information about volunteer opportunities will be provided in the Parent Handbook, at Open House, at Parent Orientation and monthly Parent Committee Meetings. Parents receive and are trained from the Volunteer Orientation Handbook during Parent Orientation. Community volunteers will be trained on and receive a copy of the Volunteer Orientation Handbook on an as needed basis.
