

## First Aid Kit Checklist

The child care agency should maintain a first aid kit and it shall be accessible to all staff. Staff shall be familiar with its contents and proper use.

The first aid kit should contain at least the following items:

- Disposable nonporous, latex-free gloves
- Scissors
- Non-glass, non-mercury thermometer to measure a child's temperature
- Bandage tape
- Sterile gauze pads
- Flexible roller gauze
- Cold pack
- Antiseptic Wash
- Tissues
- Antiseptic wipes
- Plastic Bags
- Spill Kit Tweezers
- Triangular bandages
- Safety pins
- Eye patch or dressing
- Sterile water

First aid kits or supplies should be restocked after use.
